

sollis

Introducing the new **sollis** range from Rack Systems. Designed as a response to the changing demand of the office furniture environment, **sollis** offers an unparalleled level of quality, value and craftsmanship; brought together into one simple, beautiful offering. **Sollis** can be specified as a high back booth, for occupancies of two, four and six; or as a high back sofa, in single, double and triple seat units and also as a range of workstations.
